

Each person in the class should submit a review for every presentation (besides, of course, their own). Please use the following template.

**Presenter's name:**

**Reviewer's name:**

1. Please critique the clarity and organization of the presentation. Did the speaker make good use of figures? Did they use appropriate language?

2. Please provide detailed comments on the overall technical quality of the presentation.

3. Please give any constructive advice for how this speaker's future presentations could be improved.

4. Overall rating (circle a number)
