

### Professor (Open Rank) - Computer Science

The Department of Computer Science at the University of Illinois at Urbana-Champaign invites applications for multiple faculty positions at **all levels** (Assistant Professor, Associate Professor, Full Professor) and in **all areas** of Computer Science. We encourage applications in Data, Machine Learning, Quantum, Robotics, Security, and Systems, but applicants from all traditional as well as non-traditional and interdisciplinary areas of Computer Science are urged to apply. These are 100% tenure-track appointments.

Illinois Computer Science includes 66 tenure track faculty members, 20 teaching and research faculty, and 48 academic and research staff and professionals, and enrolls over 1,700 undergraduate students, over 1,000 graduate students, among them over 300 PhD students. The Department features 15 IEEE Fellows, 15 ACM Fellows, and 32 NSF CAREER Award winners.

Applicants are required to have (or expected to receive) a PhD or equivalent degree in Computer Science or a related field. Additional qualifications include the ability to teach effectively at both the graduate and undergraduate levels and the potential to initiate and carry out independent research. Ideal candidates include those who demonstrate evidence of a commitment to diversity.
